Running Number & Timing Chip

Your race pack contains a running number with an embedded timing chip. Pin the running number to the FRONT of your vest or t-shirt before the race to ensure your finish time is recorded. The timing chip will enable us to provide you with a 'chip time' (beginning when your running number crosses the start/finishline).

Race Numbers are colour coded and will be

checked on entry to your designated pen. GOLD WAVE from the community centre, all other waves. Access from Hazelwood Row to Railmill Lane.

Baggage

A baggage facility will be available before the race, open from 08:00am. It will be in Cwmavon Library near the Event Village. Runners can deposit one bag. Valuables are left at your own risk.

Cut Off Time & Road Re-Opening

The event carries a 2.5 hour cut off time, to ensure roads can safely re-open within a reasonable time frame to minimise impact on the village. Those wishing to continue must do so on the pavement (as roads re-open) and do so at their own risk – no longer as a part of the event.

Your Safety

If at any time during the race you feel unable to continue, please stop, rest and locate the nearest marshal.
